

SKOLELYST®

Skolelyst® is a flexible subscription offering tasty and good beverages and food customized for school kids across the country.

Skolelyst® from TINE has offered milk to school kids for 50 years! Skolelyst® offers a broad selection of milk, fruit juices, smoothie, yogurt, vegetables and more. Each school decides which of the 17 Skolelyst® products they will include in their product range. There is no sugar added to any of the Skolelyst® beverages. The beverages contain natural sweetening from the milk and fruit only, no sugar added.

Skolelyst® is flexible, which allows you to arrange the week the way you like and adapt the order to your child's needs. You can pay the full amount right away or monthly, with no extra fees.

Registrar and order on skolelyst.no by:
